

To help you find products at ThreeSixty that meet the requirements of a vegetarian diet, we have put together this shopping list for your convenience. Please note that this list contains a selection of products in the store that are suitable for a vegetarian diet and there may be other products that are not shown on the list.

This shopping list is intended to be used as a guide only. It should not be regarded as medical advice. We have made every effort to ensure the accuracy of the information provided on this list. We cannot, however, guarantee the absence of cross-contamination, nor the change of ingredients. We advise you to always read the label carefully, prior to finalizing your purchase. Always consult your doctor, a qualified nutritionist or a certified homeopath on your specific dietary requirements.
